how often children suffer from worms, they would take care and guard against this common ailment.

Signs of worms: Deranged stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and full, twitching eyelids, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, blood red points sticking out on tongue, starting during sleep, slow fever.

For 40 years ago Dr. Truett discovered the formula of Dr. Truett's Blixir, the Family Laxative and Worm Expeller. Since then people have been writing letters like this: "My little granddaughter had pin worms very badly, and after taking part of a bottle of Dr. Truett's Blixir, she was very much better. Mrs. Georgia Philpot, Houston, Texas."

This remedy has a world-wide reputation as the one safe and reliable remedy for worms and stomach disorders for both young and old. Price, 50c, 50c and \$1.00. Advice free. Write me.

Big Crops Not Accidental

Of all the different things necessary to grow big crops there is none so important as good seeds.

No really big crop can come from any but superior quality—grade "A" seeds.

White Mountain Seeds are grade "A" seeds, first, last and always. They are never anything else.

Of course, the first cost of all superior seeds is more, but from only one viewpoint. There are other ways of looking at the subject.

Many practical farmers go so far as to state that when seeding cost per acre is accurately figured WHITE MOUNTAIN SEEDS are the least expensive.

FELT LIKE 90 YEAR OLD.
Many persons complain about feeling old before they should. Like a weak link in a chain, a weak organ entitles the whole body. Overworked, weak or disordered kidneys lower vitality. A. W. Morgan, Angola, La., writes: "I suffered with pains in the back. I am 43 years old, but I felt like a man of 90 years old. Since I used Foley's Kidney Pills I feel like I did when I was 21." Internal Bathing's Rapid Growth

It is but natural to expect that a relief from Constipation and the many ills which it causes which is so effective and so natural as Internal Bathing should quickly make many converts.

But its general use has increased so tremendously in the past few years as to suggest other reasons, and these are found in the statements of users that they feel as if "made over new" the morning after an internal bath.

The elimination of the pernicious and poisonous waste which is ever present in the Lower Intestine gives a nature a chance to work unhampered. And one arises in the morning clear-headed, alert, bright, confident and eager for the day's duties.

Mr. F. E. Smith writes: "Dear Doctor: Your 'Cascade' made a new man of me at the age of 49. I persuaded my wife to use the treatment also and today she has better health than ever before. Since the use of the 'Cascade' she sleeps better and can walk for hours without fatigue. Fainting spells have become a condition of the past, can eat anything on the bill of fare and drink all beverages. Do not take cold when exposed; hot weather does not cause oppression."

The "J. B. L. Cascade," the most efficient device for Internal Bathing, is being shown and explained in detail at Landry's Drug Store in St. Johnsbury. Ask for the "J. B. L. Cascade" and you will find it is only 50c per Cent Efficient."

Use "Gets-It," Lift Corn Right Off

"Shrivels, Loosens—and It's Gone!"

"Just like taking the lid off a can, it's how easy you can lift corn off your foot after it has been treated with the wonderful discovery, 'Gets-It.' I found the wide world of corn and corn-blisters nothing so magic, simple and easy as 'Gets-It.' You folks who have wraped

ped your toes in bandages or like bundles, who have used salves that turned your toes raw and sore, and used plasters that would shift from their place and never "set" the corn, and who have dug and picked at your corns with knives and scissors, and perhaps made them bleed—just try these old and painful ways
